### **BOAT STORAGE and SERVICES 2011 – 12 Price List and Terms and Conditions**

The following are details of the rates for winter storage and other services provided by Islay Marine Centre. Please fill in and return the booking form **as soon as possible** to confirm your booking. **All prices inclusive of VAT.** Boat owners must have their boats insured - please provide copy of insurance with booking form. **Please note we now have a fully stocked Chandlery on site!**

**LIFT OUT DATES:** from the beginning of September to the end of October. Please advise week beginning date for lift out and depending on numbers, this will be on a "first booked/first lifted out" system. If your insurance runs out at the end of October do not leave lift out date till then because weather and tides may not suit – we may have to lift out into November.

**We would prefer all moorings vacated by the end of October.**

**BOAT LENGTH:** calculated overall and includes davits, bowsprit, outboard etc (not waterline length or manufacturer's length) only whole metre and 0.50 metre lengths in calculation (**not 0.25 metre**)

**PAYMENT** can be made by cheque made out to Surnaig farm or by monthly standing order – ask for details at the office.

#### **TERMS AND CONDITIONS:**

- Only authorised boats may be stored
- Please leave set of boat keys with the office
- All petrol must be removed from boats before they enter the storage area
- Batteries must be disconnected
- Although our storage facility will be locked at all times, Islay Marine Centre does not accept responsibility for theft or damage out with our control.
- For health and safety reasons, users must sign in at the office before entering the boat yard compound and sign out when they leave.
- The storage area is open to users on weekdays during working hours and at weekends with prior notice and permission from Islay Marine Centre.
- Children under 16 are not permitted in the storage area without adult supervision.
- Unauthorised use of power tools in the area is not permitted.
- No sleeping in the boats.
- Islay Marine Centre has third party public liability insurance, therefore boat owners must also have their boats insured separately
- Any owner wanting to be with their boat on lift in/out must sign a disclaimer absolving Islay Marine Centre from any liability regarding their personal injury and in future unless this is done, no boat owners will be allowed on pier/slipway/concrete base at mast when moving boats. *Please note it is not necessary for owners to be present when lifting boats.*
- Permission must be given before any winter covers are fitted - these are not to be attached to the shores in any way. Covers are total responsibility of owners who must sign a form accepting liability for any damage caused to their boat or any other boat.
- Any OIL, WASTE FUEL and FILTERS should be handed into the workshop to recycle and **MUST NOT BE PUT IN THE GENERAL WASTE**. If buying new batteries from us we can arrange to recycle the old batteries. General rubbish should not be left around boats - owners may be charged if clearing up is required! Please recycle glass or plastic bottles, paper & cardboard – ask at office block.
- Mooring/berthing/storage will only be considered booked on receipt of this signed booking form.
- Sub contracted labour is not permitted on the premises, pontoons or moorings without prior agreement and any such contractors must comply with our Health & Safety Policy and carry appropriate indemnity insurance.
